## Operation Centaur Anvil

# OPERATIONS

A photograph showing five soldiers in desert camouflage uniforms and helmets. One soldier stands to the left of a tan Humvee, holding a rifle and gesturing with his right hand. Another soldier is positioned on the roof of the vehicle, which has its rear cargo door open. Two more soldiers stand near the front of the vehicle, and a fifth soldier is in the foreground, facing away from the camera. The vehicle is parked on a dirt path in a field with sparse green vegetation. In the lower right foreground, several unexploded ordnance (UXO) items, including cylindrical bombs and a mortar round, are scattered on the ground. A green text box with a black border is overlaid on the bottom left of the image.
